CODE OF WIZARDS

magic in every code

Milla Jovovich

- 45 years
- actress, musician, photomodel and fashion designer
- also likes music, drawing, interested in art history
- Needs the convenience of always being able to quickly and easily order fresh vegetables

The app solves the following problems:

Adapting the layout

The application is adapted for all screen sizes, from smartwatches to 100-inch televisions.

Interface

Convenient and clear interface without unnecessary information

Usability

Intuitive interface. Ability to place an order in 3 staps.

Program performance

High speed of the program.

Technology

Frontend

- HTML/CSS
- Animate.css
- JavaScript

Backend

- Node.js
- Express
- Mongoose
- Swagger

(but this is not accurate)

Utilites

- VSCode
- Figma
- Git/GitHub
- Hand magic
